Your booking may be cancelled and fully refunded within 24 hours of purchase.

### Who can come?

Up to 5 guests ages 14 and up can enjoy the activity at any one time.

### What you'll do

Step into the world of Pirate Pete and the Poetry Club. Board the Buccaneer (our house) and come on a journey with me, AARRGGHHH... as we go on an adventure. Perhaps you'll be lucky enough to meet the other members of this distinguished poetry club, such as Daisy and the Daring Devils, Captain Crook or even old Fungus Ferguson. In our pursuit of the famous "Poetry Treasure," we will search for clues hidden on the Buccaneer. Each clue will lead you to the next one. You will receive a treasure map to help you find your treasure. Unfurl the sails of your imagination... travel into far off islands, experience the stormy seas, dig up forgotten treasures, slay dragons and giants and save the girl perhaps, as we weave our story. Take your sword and craft your poem. Take your printed treasure with you. You will also graduate as a member of Pirate Pete and the Poetry Club.

### What's included

#### Food

Homemade muffins and light snacks will be provided. Please indicate any food allergies/preferences.

#### Drinks

Tea, Coffee & water will be available throughout.

### Where you'll be

Step onto the Buccaneer, a pirate ship with a crazy crew. You might meet characters you've never read of. This stationary and imaginative ship is moored on the banks of the Jukokoi River. Along with its crazy crew, it is also inhabited by two cats. As for visiting places, now that depends on where you let the ship of your imagination sail... Will it be Treasure Island or Devil's Peak? Or perhaps the land of Far Far Away?

Poetry is the language of the soul. For many people, poetry can be boring, perhaps because they have never experienced the fun side of it. And so Pirate Pete and the Poetry Club was born. So, fellow pirate, gird your loins, and unleash your imagination as we travel to far off lands, filled with pirates, mysterious islands and so much more!
